Re: Petition of the Office of Regulatory Staff for a Declaratory Order Against Jacobs-Rabons Communications, LLC and Fiber One Consulting, LLC Requiring Certification as a Telephone Utility
Docket No. 2010-351-C

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") requests that all dates be suspended in the above-captioned docket with respect to Jacobs-Rabons Communications, LLC ("Jacobs-Rabons"). Attached is correspondence from counsel for Jacobs-Rabons advising ORS that it plans to seek a certificate of public convenience and necessity and requests that all deadlines be suspended.

Our office has been in contact with Ms. Kline regarding the process for filing an application, and we are in agreement that a suspension of all deadlines is appropriate for Jacobs-Rabons.

As of the date of this letter, our office has not been in touch with Fiber One Consulting, LLC, ("Fiber One") and we would therefore request that the current deadlines for pre-filed testimony and the hearing date remain in effect with respect to Fiber One.

Thank you for your consideration of our request.

Very truly yours,

Nanette S. Edwards
